After a carefree childhood, Mary Margaret Kelly came of age in the shadow of grief. Her father, a dashing daredevil Air Force pilot, died when she was nine. Maggie saw her mother struggle to put their lives back together. As the family moved from one city to the next, her mother warned her to beware of daredevil men and avoid risk at all cost. Together they had a son and found happiness in a conventional suburban life. Until tragedy struck again. Now on her own, feeling a sense of adventure for the first time, Maggie decides to face her fears, setting off on a whirlwind trip from San Francisco to Rome, Paris, and Monaco. The Ghost-Danielle Steel 2009-12-01 With a wife he loves and an exciting London-based career, architect Charles Waterston's life seems in perfect balance. Nothing in his comfortable existence prepares him for the sudden end to his ten-year marriage - or his unwanted transfer to his firm's New York office. With nothing left to lose, Charlie takes a leave of absence from his job to drive through New England, hoping to make peace with himself. Christmas is approaching when Charlie leaves New York, heading to Vermont to ski. But a sudden, blinding snowstorm strands him in a small Massachusetts town. There, as if by chance, Charlie meets an elderly widow who offers to rent him her most precious possession: a remote, exquisite lakeside chateau. Hidden deep in the woods, it once belonged to a woman who lived and died there two centuries before. Her name was Sarah

Ferguson. And from the moment Charlie sets foot inside the chateau's graceful depths, he feels her presence, and longs to know more about the life she led. It is Christmas Eve when Charlie first glimpses her, a beautiful young woman with jet black hair. He thinks it is a neighbour playing a joke on him, until he finds her diaries hidden away in an old trunk. As he begins to turn the brittle, dusty pages, Sarah Ferguson comes alive. Intrigued and unafraid, Charlie immerses himself in the diaries, eager to learn more about the woman for whom the house was built. Sarah's first entry is dated 1789, the year she arrived in America. Without self-pity or sentiment, she writes of her harrowing journey from her native England, having fled the brutality of her aristocratic husband. Settling in Massachusetts, Sarah finds an unfamiliar land seething with the turbulence of the Indian wars. Determined to start a new life in the vast new world, Sarah finds freedom - and danger - as she builds her home in the wilderness and meets a man who will transform her life. His name is François de Pellerin, a French nobleman adopted by Indians

and drawn into the battle for the growing nation. Their fateful union is a testament to a love so powerful it reaches across the centuries. And for Charlie Waterston, caught between Sarah's world and his own, their story is a gift - one that gives him the courage to let go of his past, and the freedom to grasp a future that is right before his eyes. Daddy's Girls-Danielle Steel 2020-06-09 NEW YORK TIMES BESTSELLER • In Danielle Steel's riveting novel, three women raised by their

father on a sprawling California ranch now confront difficult truths about their past. Decades ago, after the death of his wife, Texas ranch hand JT Tucker took his three small daughters to California to start a new life. With almost no money, a will of iron, and hard work, he eventually built the biggest ranch in California. But when he dies suddenly at the age of sixty-four, the ranch is inherited by his three daughters—each of them finding it impossible to believe that this larger-than-life figure is gone from their lives. JT's relationship with each daughter was entirely different. Caroline, the youngest and most reserved, was overlooked by her father for her entire life and fled to become a wife, mother, and writer in Marin County. Gemma, his declared favorite, sought out Hollywood glamour and success and became a major television star. Kate, the eldest, stayed at home with her father to do his bidding as a ranch hand, without thanks or praise, forsaking marriage and a family of her own for the love of him. Now, upon JT's death, the paper trail he leaves behind begins to reveal much more than

the three sisters ever guessed about who he really was. It will turn their world upside down, and each of them must grapple with a new reality, strengthening their relationships with one another, and discovering who they are now as grown women, in spite of him. Set against the magnificent backdrop of the West and the drama of a family in turmoil, *Daddy's Girls* is the story of three remarkable women and their unique bond to each other—the daughters of a complex, many-faceted, domineering father who left his mark on each of them.
